Rent is prorated at time of rental then billed annually to your Evergreen Credit Union account. Renters will receive two keys for their box. Both keys must be returned when the rental is terminated or you may be charged a lost key fee.

Contact us at (920)729-2999 to make an appointment to rent your box! Boxes are available for access during the credit union's open lobby hours. There is no limit on how often you may access your box, and you will be able to use a private office or room when reviewing the contents.
