New Year, New Resolutions

Is your goal for the new year to get to a better financial position? Could consolidating some big interest rates or lowering your car payment really help?

Maybe you need a little cash for the small things, like braces or a saxophone for the younger ones.

At Evergreen Credit Union, we have solutions of all sizes and no financial need is too small. Call and speak to one of our helpful loan officers at **(920) 729-2999** to find the fit for you in 2020!

Newsletter Frequency

In an effort to live our sustainable mission, we will be producing two newsletters per year instead of four.

Want to still be in the know? Enroll in e-Statements to receive credit union news monthly within online banking and our mobile app!

As always, please visit our website at www.evergreencu.com or call us at (920) 729-2999 for any information you may need.

Protect Yourself from Fraud

The best way to protect yourself from fraud is to safe guard your financial information. Regularly reviewing your transactions will allow you to catch discrepancies early before fraudsters can make multiple transactions.

Make sure to never share your credit or debit card information via phone without initiating the transaction. If a call seems legitimate, ask their name, hang up, and research the businesses' official number and call them there to verify any issues. Never take someone's word that they work for a certain business or agency, especially if they have never called you before.

When able, pay inside at the register versus using free standing payment machines, such as at the pump or parking garage. If using an ATM, find one located indoors or within clear view of an attendant.
